A GLENCORE COMPANY

GENERAL ROLL JOB POSTING

#34. SENIOR HAULAGE DRIVER – PERMANENT
MINE OPERATIONS
WAGE GRADE 16
INTERDEPARTMENTAL

This position is currently on a 4X4 day/night shift rotation; however, the successful incumbent may be required to work on an alternative shift and/or work schedule.

The key area of focus for the successful applicant(s) will be "Hands on Training" of Haulage Drivers. As well, you will be required to partake in OEM and in house training (train the trainer) courses as part of this position.

Qualifications

1. Applicants will be qualified (520 hours) and possess current checkouts for the following Haul Trucks at Fording River (930, 980, and 797).

Aptitude (Candidates Selection Criteria for This Role)

1. The successful candidate(s) will demonstrate their abilities through testing on Haul Truck Simulator and CBT Training Modules.
2. The successful candidate(s) will demonstrate proven communication and organizational abilities as per job evaluations.
3. The successful candidate(s) will require exceptional evaluation and mentoring skills; as well as having the flexibility to manage new and existing haulage drivers.
4. A positive record of accomplishment in training will be considered an asset.
5. Seniority where qualifications and aptitudes are relatively equal.

Applicants that meet the above criteria will be contacted for an interview.

BRITTANY CARON MUST RECEIVE ALL APPLICATIONS **BEFORE 8:00AM ON JANUARY 25TH, 2025.**
