## **GENERAL ROLE JOB POSTING**

### **#45. BUCKET MAINTENANCE TRAINEE – PERMENANT MINE OPERATIONS WAGE GRADE 14 DEPARTMENTAL**

Under the supervision of the Mine Services & Mine Operations Supervisors, the successful applicant will:

- Be responsible for accounting for all equipment hardware
- Advising on specific consumables
- Efficiently and effectively changing out hoist cables, teeth adapters and trip cables so as to minimize the impact on equipment operating efficiencies and productivities
- Other duties as required

A main component of the job is to develop strategies to maximize the life of all equipment consumables.

Good communication skills are mandatory. Familiarity with consumables would be a definite asset.

This position is currently a 4 x 4 day/night shift rotation; however, the successful incumbent may be required to work on an alternate shift and/or work schedule.

ALL APPLICATIONS MUST BE RECEIVED BY BOUJIE JOLIE **BEFORE 8:00 A.M. NOVEMBER 26<sup>th</sup>, 2025.**
